## 10 Reasons to be nSequence

### *Total Solution Provider*

Consider nSequence as an extension of your dental practice.

### *Personalized Consultation Services*

nSequence offers personalized consultation with the dentist to determine the optimum type of final prosthesis.

### *Customized Implant Services*

nSequence is a leader in the implant field in providing Treatment Planning • Diagnostic Wax ups • Scan Appliances for All Major Systems • Surgical Guides • Custom Abutments • Immediate Provisional Prosthetics.

### *Virtual Treatment Planning Assistance*

nSequence offers a depth of knowledge using popular third party systems. We offer support (via phone/web conference) to the dentist throughout the treatment planning process. This ensures the case is both surgically and restoratively driven.

### *High End Full Service Dental Implant and Esthetics Laboratory*

nSequence specializes in implant prosthetics, from single tooth to partially or fully edentulous cases.

### *3D Diagnostic Imaging Center*

Take advantage of nSequence's 3D Diagnostic imaging services by making it a "standard of care" for CT Guided Implant Surgery cases.

### *Research and Development*

nSequence is one of the leaders in developing cutting edge new technologies to meet the paradigms for dentistry today.

### *Client Services*

nSequence is known for its immediate case processing, exceptional turn-around time for lab services, quality control, on-time delivery and patient acceptance.

### *Advanced Post Graduate Continuing Education*

nSequence has a state of the art Education Center in Reno, NV and its staff is proud to be associated with world renowned dental leaders to provide hands-on training opportunities.

### *Let Us Go Out of Our Way For You*

Our staff is one of the most dedicated group of individuals your practice will ever work with in the dental profession. Our employees are dedicated to continued learning to enhance their God given talents and skills. We go out of our way to meet our clients expectations. With 25 years as a respected dental laboratory, we do our very best to deliver the highest quality products that exceed our customer's expectations.

*If you are not nSequence,  
you are out of order*
